If there were 4-5 books for issuing in short term it would have been better as two books are not sufficient.

• Is Free Tiffin Scheme of the college helpful to you ?

Ans: Yes.

- Are you willing to contribute by kind or cash by extending your expertise for the development of the college?

Ans : Yes, obviously.

- Give your valuable suggestions for improvement of the college.

Ans: The syllabus must be planned in a global perspective. The students should have to be awared about the exams like GRE, IELTS etc. Extra classes are needed by the proper expertise so that the students can reach their goal with ease. The professors are outstanding in knowledge but not updated.
