Action taken:

- All these feedbacks have been discussed in departmental and BOS meeting and communicated to the IQAC, RKMVCC.
- In all the queries the predominant response is 'Agree' and 'Strongly agree'.
- We have also received a few feedback responses from our alumnus who thinks that further improvement is needed compared to our standards.
- Based on the feedback, our department has increased the laboratory infrastructure, procuring books relevant to the syllabus and guidance to the students for different all India entrance tests for admission in Masters Programme and Integrated PhD programmes.

Teachers' feedback analysis and action taken for session 2017-18, 2018-19, 2019-2020, 2020-21 and 2021-22:

- The feedback was obtained from the departmental faculties regarding academic curriculum and syllabus formation.
- All the respondents were satisfied regarding the academic course-curriculum, syllabus, teaching and learning. Most of them either 'strongly agreed' or 'agreed' against the questionnaire provided regarding this.
- All the comments of the faculties were considered sincerely. Their suggestions and advices regarding laboratory infrastructure, library etc. were tried to be implemented as much as possible.
- All the points raised by the Teachers were discussed in the departmental meeting.
- The list of instruments to be procured for the laboratory was unanimously decided.

- Teachers were also asked for their valuable suggestion about online classes and likewise the practical and theory classes were conducted.

Employers' feedback analysis and action taken for session 2017-18, 2018-19, 2019-2020, 2020-21 and 2021-22

- Questionnaire in the prescribed format were given to the prospective employers regarding our syllabus and academic curriculum.
- Their responses are satisfactory to all the points mentioned in the form. Faculties were happy for the satisfactory feedback received.
- As we are aiming for a sustainable improvement of our students, we have decided to collect more feedback forms from the employers so that we can critically evaluate ourselves and find the scopes of more improvement. This will definitely be a continuous process.
